INTRODUCTION

Selrosa International Impex was established in 2017 while we were working hard on the gaps left by the market in the extraction of Pink salt in high ranges of Himalaya in a very traditional manner.

Spending day and night in mines of Himalaya for extracting and choosing the best quality salt for edible and craft making use. This was the expertise of our company to give the ultimate satisfaction to our clients through the best quality salt.

As we are dealing from Pakistan which is the hub of Himalayan rock salt, we produce quality salt decors and household things with quality material. We are manufacturing and exporting a large collection of Himalayan Salt Products like Natural Salt Lamp, Crystal Salt Lamp, USB Salt Lamp, Salt Candle Holders, Himalayan edible salt, Himalayan rock salt, Salt Chunks, Spa Products, Pink Salt Granules (Different sizes), Animal Lick Salt etc. The final product produced by our company meets the international standards because our main focus is on the quality to ensure the satisfaction required by the end user.

We believe in the saying “HEALTH IS WEALTH “and this made us get to this business to serve our clients for having little change in their lives to have best organic salt with ample natural minerals in their routine food for a better health as suggested by the health experts. A common salt found in the grocery store is been processed and altered and may be harmful for edible use. So we started and initiated giving awareness to people of the importance of Natural Pink Himalayan Salt and its multiple usages.

Spending a lot of in hiring the best resources for researching, designing and crafting the ultimate products helped us to be unique in the industry where we use high quality equipment to process and achieve the product type of its own kind. Our special care towards minor detail has allowed us to display our products on a high pedestal.
